

Touch

Stacy Barthe

It'd probably be easier if you just were never around
That I could concentrate on the things I can't even think about now!
And in this very moment I'd say it's a pleasure to be immersed so deep
so heavenly
Immersed, so deep, so heavenly into your arms, so comfortable!
In other words I'm into you, don't let my feelings go in vain,
Tell me if you feel the same, I couldn't take it to hear it no other
way,
No... No, no, no
I couldn't take it to hear it no other way

I'm not asking for much, I just want your touch!
I'm not asking for much, I just want your touch!
I'm not asking for much, I just want your touch!
I'm not asking for much, I just want your touch!
I'm not asking for much, I just want your touch!
I'm not asking for much, I just want your touch!
I'm not asking for much, I just want your touch!
I'm not asking for much, I just want your touch!

Hmmm, sometimes I feel so stupid for texting
Especially when you don't replying
Or picking up your phone and the worst part about it
Is when you get home, I'll be waiting up
Anticipating your alibis, the what-haps the mishaps
What took you so long... to get into my bed?
I don't wanna quarrel, no, no, no, no
I just wanna be so comfortably immersed in your arms!
Oh oh your arms
I couldn't have it no other way,
Oh, I couldn't have it no other way!

I'm not asking for much, I just want your touch!
I'm not asking for much, I just want your touch!
I'm not asking for much, I just want your touch!
I'm not asking for much, I just want your touch!
I'm not asking for much, I just want your touch!
I'm not asking for much, I just want your touch!
I'm not asking for much, I just want your touch!
I'm not asking for much, I just want your touch!

Cause in the middle of the night,
All I want is you by my side

I'm not asking for much, I just want your touch!
I'm not asking for much, I just want your touch!
I'm not asking for much, I just want your touch!
I'm not asking for much, I just want your touch!
