

# Dynamite!

Stacy Lattisaw

The way you feel funky music  
It's dynamite  
The way you use and you groove it  
It's dynamite  
Don't you know that  
I love you madly  
Like dynamite  
Won't cha keep on dancin' beside me  
It's dynamite

I've got this feelin'  
To ask you to dance  
Not even thinking  
To lead to romance  
The lights are flashin'  
We're out on the floor  
My heart is thumpin'  
Like crashin' thunder

'Cause when you move so sweet  
When you're dancin'  
Got the beat  
Got the heat  
Like dynamite  
It's dynamite

The way you feel funky music  
It's dynamite  
The way you use and you groove it  
It's dynamite  
Don't you know that  
I love you madly  
Like dynamite  
Won't cha keep on dancin' beside me  
It's dynamite

Oh, baby, baby  
You've got the rhythm  
You drive me crazy  
With what you're doing

'Cause when you move so sweet  
When you're dancin'  
Got the beat  
Got the heat  
Like dynamite  
It's dynamite

Oh, dynamite!  
Oh, dynamite!

Can you dig it checkin' it out, baby  
Checkin' it out can you dig it, baby  
Can you dig it checkin' it out, baby  
Checkin' it out can you dig it, baby  
Can you dig it checkin' it out, baby  
Checkin' it out can you dig it, baby

Can you dig it checkin' it out, baby  
Checkin' it out can you dig it, baby

'Cause when you move so sweet  
When you're dancin'  
Got the beat  
Got the heat  
Like dynamite  
It's dynamite
