

Someone Like You

Stage Dolls

All the time
You are on my mind
And I can't find a way to let you go..
Can't you see what you do to me
It's hard to be left here all alone
I can chase this dream forever
Cuz you're always on my mind
We are meant to be together
And now is the time, to make you mine
I wanna kiss someone like you
I wanna feel the way I do
Wanna hold you in my arms when you are dreaming
I wanna say the magic words, wanna tell you how it hurts
To be the one
To love someone like you.
If you knew
What I felt for you hey!
What can I do, it's tearing me apart
Every day, every day I pray
That I find a way to open up your heart
When the nights are getting colder
You need someone to keep you warm
Maybe need someone to hold her
Let me be the one
Let me be the one
I wanna kiss someone like you
I wanna feel the way I do
Wanna hold you in my arms when you are dreaming
I wanna say the magic words, wanna tell you how it hurts
To be the one
To love someone like you.
I can chase this dream forever
And now is the time
To make you mine
