

Nothing Left To Say

Staind

Em

Talk to me, You never

C **Em**

Talk to me Do we suffer From

C

Social atrophy

D

And when the conversation's over

C

When the conversation's over

Em

C

We've taken what's been given

Em

C

And we throw it all away

Em

Walk with me ,Come on and

C

Em

Walk with me' Take a look Around you

C

Do you like What you see

Em

C

We've taken what's been given

Em

C

And we throw it all away

Em

C

It's hard to be forgiven

Em

C

When there's nothing left to say

D

C

When the conversation's over

D

When the conversation's over

C

The silence just gets in the way

Conversation's over

Em

Talk to me, Don't ever

C

Talk for me

Em

C

We've taken what's been given

Em

C

And we throw it all away

Em

C

It's hard to be forgiven

Em

C

When there's nothing left to say

Em

C

Em

There's nothing left to say
