

# PERMANENT

## Stalking Gia

Dipping my toes in the water  
And covering both my eyes  
Don't know where my steps will take me  
But I'd rather feel anything than confined  
And you're so sweet to talk to  
There's no judgment with you and I

(Mmmmm)

(Mmmmm)

If we cross that line  
There's no going back from here  
If we cross that line  
You're not mine I don't belong here  
I've got someone that loves me  
But here I am with you instead

I don't wanna, I don't wanna  
I don't wanna let this be  
A missed opportunity  
I just wanna, I just wanna  
See where you'll take me  
I'm too young to keep  
All these boundaries  
I've got curiosity

No love is permanent  
No love is permanent

I've got someone that loves me  
I've got his heart in my hands  
But I can't be fulfilled with love alone  
Built on apologies and "I'm sorry"s  
It comes with a price  
You can cut the tension with a knife  
Don't wanna be unhappy  
No more

If we cross that line  
There's no going back from here  
If we cross that line  
You're not mine I don't belong here  
I've got someone that loves me  
But here I am with you instead

I don't wanna, I don't wanna  
I don't wanna let this be  
A missed opportunity  
I just wanna, I just wanna  
See where you'll take me  
I'm too young to keep  
All these boundaries  
I've got curiosity

No love is permanent  
No love is permanent

No love  
No love is permanent  
No love  
I've got someone that loves me  
But here I am with you instead

I don't wanna, I don't wanna  
I don't wanna let this be  
A missed opportunity  
I just wanna, I just wanna  
See where you'll take me  
I'm too young to keep  
All these boundaries  
I've got curiosity

No love is permanent  
No love is permanent  
No love is permanent  
No love is permanent

No love is permanent  
No love is permanent
