

## For the Weekend

Stalley

Pour out a side of my drink  
I'll let this run in my sink  
I will just order my link  
f\*ck what these niggas they think  
I'm really falling like blink  
All of my niggas they eatin'  
We got a suite at four seasons  
We turnin' up for the weekend  
Pour out a side of my drink  
I'll let this run in my sink  
I will just order my link  
f\*ck what these niggas they think  
I'm really falling like blink
