Stalley

It's a jungle, it's a jungle, it makes me wanna wonder  
How people are going under, under, under  
We gotta raise our kids while we're living And you know you're  
throw my niggers out of prison!  
how from going under, under, under  
Damn!  
We gotta raise our kids while we're living  
Hustle spirit glass table full of wee plants  
The game is in my veins,  
Momma said that at young age the street are fully free  
But they turn into a So why got up on and turn into that no pag  
e  
I'm raging in the streets, racing in the The game change, big g  
ames come, a lot of dough follow  
Bad boys, role model with Real Muslims, real life styles, truly  
Filling like a profitable way, they follow everywhere I go  
Seeing looking Flipping light they're trying to capture history  
They wanna see me fall, but they're capturing my upraise  
Asking how I'm winning when the beginning came by surprise  
So in their eyes  
But tell me I can't fall, I told you you're too strong for kill  
ing niggers  
My crew walk in, take no room for niggers

It's a jungle, it's a jungle, it makes me wanna wonder  
How people are going under, under, under  
We gotta raise our kids while we're living And you know you're  
throw my niggers out of prison!  
how from going under, under, under  
Damn!  
We gotta raise our kids while we're living  
It's like I trouble sometimes, and make me wonder  
How I keep from going under,  
Motivation keep me flowing, no doubt!  
Just food for thoughts and fill All my way to Paris now  
When you're Vegas, when you're We give them with they're so the  
y're answer is for our autograph  
Real quick they see me underground!  
We're up and over drown North Philly you notice Lord got we fly  
over towns!  
try to fix you up, boy  
So I kinda got that over sound!  
if you really move bricks, then you know the smell  
We're a The rap stars, fat cars  
It's a jungle, it's a jungle, it makes me wanna wonder  
How people are going under, under, under  
We gotta raise our kids while we're living And you know you're  
throw my niggers out of prison!

how from going under, under, under

Damn!

We gotta raise our kids while we're living
