Stalley

No, I don't think I can stand  
Gotta find somebody who understands what, what true love demands  
But it's, (I hope y'all understand) it's gonna take a miracle (It's importan t)  
To stop my poor heart breakin' (Collars, I'm back)  
All the love I've given you, yeah  
Blue Collar Gang  
Yeah-yeah

Que sera sera (Sera), I'm on my job (My job)  
Pull up in somethin' you niggas never saw (Ooh)  
Breeze through, jewels chilly like the night in fall (Jewels chilly)  
King shit, yeah, I'm knighted, y'all (I'm knighted, y'all)  
Went from flights that was United to my own pilot  
So if they say my head's in the clouds, they ain't lyin', dawg (They ain't l yin')  
I mean, would I lie to y'all?  
Let's be honest, I been the one since Spitta's Pilot Talk  
They 'buked the bid in pens, gave y'all all kinda talk (All kinda talk)  
From cars to black roots, all kinda thoughts (All kinda thoughts)  
From the stoops to backyards, I inspired y'all (I inspired y'all)  
What a mind from the southeast side of the iron gods  
Still rejected, but still protection in the linin' of (Damn)

These days the future's up in the air  
So we twist 'em back-to-back, put the smoke in the air  
Tryna hold on to love while loathin' the fear  
See, this fear ain't uncommon, we just focusin' clear (We focused)  
Resilience and brilliance is what my hustlers share  
We got the corner of the pie and expect our share to be fair (Huh)  
Yeah, I mean that's how it go (That's how it go)  
Grindin' to get it, shit, that's all we know (That's all we know)  
The story ain't changed much  
We got it out the mud, so the glory, it claimed us (The glory)  
Rest in peace to all the fallen soldiers (Rest in peace)  
From Ebbets Field to the Magnolias  
Do the knowledge and the wisdom for those trapped up in the system and  
Trappin' on the corners (Free the guys)  
Lo que sé necesario  
A better life is not to be bargained for, we demand that (We demand that)  
A performance of a lifetime, save your hand claps (Save your hand claps)  
And standin' ovations, 'cause this declaration that I stand on  
Is built off war and stayin' dangerous (Dangerous)
