

# Walking Dead

Stalley

Stock, stocked out money  
12, 12 gauge shotty  
Try not to catch a body  
Zombies all around me  
All my niggas walking dead  
No this ain't a show  
All my niggas on the go  
One word they let it blow  
I be on some fly shit  
O-of white pyrex  
from my sidebitch  
Ostrich  
4, 4 door, Pull up like Caine in Menace  
Go in pendant  
Run like Emmitt  
Gettin' dope by the minute  
On my 24th hour  
Then I got 24 minutes  
Ko-Kobe in the clutch  
Ko-Kobe with the finish  
Mr. Flawless with the finish

Rolex, diamond sittin'  
I pray for the sinners  
And I pray we keep winnin'  
But that's mandatory  
When you live with no gimmicks  
Stay high like Hendrix  
Party as Wear shades in the spotlight  
Cut red like a spotlight  
And you know it's double stuff  
When you broke, can't double up  
Get your hustle up  
Get your muscle up  
Be a legend in the game  
Don't just worry 'bout a change  
That's a little gay  
(I said that's a little gay)  
(That, that's a little gay)  
(Gay, that's a little gay)  
(Gay)
