

Choose You

Stan Walker

I'm so mad at you right now
That i can't think straight
And i should shut my mouth
So i don't let out
The cruel things I'd say

Cos when love starts out
It's all peachy
I love you, you love me, seems easy
It's like a walk in the park
But sometimes it takes an act of my will
And a walk in a park turns to uphill
But i promise to give you my heart

I will choose to love you, yeah
Even though i wanna stay mad
Even though i wanna get angry
Though it may be easier to walk away
I will choose to stay and love you

Love is just so beautiful
But sometimes it takes work
And the ones you love
At times can leave you so hurt

Cos when love starts out
It's all peachy
I love you, you love me, seems easy
It's like a walk in the park
But the picture of love some try to paint
It's a contrast to the real landscape
But i promise to give you my heart

I will choose to love you, yeah
Even though i wanna stay mad
Even though i wanna get angry
Though it may be easier to walk away
I will choose to stay
I choose you
I choose you, yeah
I choose you
I choose you, everyday
I choose you

Some people think that love is just a feeling
So they fall out of love as quickly as they fell in
Some people think love is just a game
But they the ones who always seem to end up getting played
Though everything around might change
One thing will still remain

I will choose to love you, yeah
Even though i wanna stay mad
Even though i wanna get angry
Though it may be easier to walk away
I will choose to stay
I choose you

I choose you, hey yeah
I choose you, woahhh
I choose you, everyday
I choose you
