

Could You Be Loved

Stan Walker

Don't let them change ya, oh, no
Or even rearrange ya
Oh no no no
We've got a life to live
(Ooh, ooh, ooh)
They say, only, only
Only the fittest of the fittest shall survive
Stay alive, eh

Could you be loved and be loved?
Could you be loved
And be loved?

Never miss your water until your well runs dry
No matter how you treat him, the man will never be satisfied

Say something
(Could you be, could you be, could you be loved? Could you be,
could you be loved?)
(Could you be, could you be, could you be loved? Could you be,
could you be loved?)
Say something, say something
Say something, say something
