

Favourite Part About Christmas

Stan Walker

What's your favourite part about Christmas
Is it the presents, or is it the songs
I wrote your name on top of my wishlist
You're all that I'm missing
Having you here with me it's all that I want
Yeah
All that I want
You're all that I want

Ain't got no mistletoe
Summer it never snows
Rudolph won't need to pull no sleigh
Santa still wears a coat but
Make sure that milk is cold
Don't eat his cookies off the plate

This is the happiest time of the year
'Cause everyone I love is here!

That's my favourite part about Christmas
It isn't the presents, or singing the songs
I wrote your names on top of my wishlist
You're all I've been missing
And having you here with me is all that I want

Hey, hmm
You're all that I want
Hey, hey yeah
Hmm

Wake up before the sun
Straight to the tree we run
Can't take the smile up off my face
Laughter, kisses and hugs
This place is filled with love
That's all I need on Christmas Day

This is the happiest time of the year
'Cause everyone I love is here!

That's my favourite part about Christmas
It isn't the presents, or singing the songs
I wrote your names on top of my wishlist
You're all I've been missing
And having you here with me is all that I want

Yeah, yeah
Heee
You're all that I want
Yeah
Yeah!
Yeah!
You're all that I want
Heee, heee
You're all that I want
Hey, hey
Hmm, yeah

You're all that I want
