

Love Hate

Stan Walker

Some days I try, I get up really early
Other days, my bed won't let me go
And then at night, my brain don't let me sleep
I don't know why, I don't know why

Everybody want it
Tryna be somebody
(I don't know why)
More than just the money
I think it's kinda funny
(I don't know why)

Sometimes I think
How did I get myself into this place
I've only got myself to blame for this
It's a love/hate relationship, I know
I don't know why

The things you see, it ain't all as it seems
So don't believe, what's on your newsfeed
Go and find out yourself, it's all a game
They want you to fit in, I don't know why

Everybody want it
Tryna be somebody
(I don't know why)
More than just the money
I think it's kinda funny
(You don't know why)

Sometimes I think
How did I get myself into this place
I've only got myself to blame for this
It's a love/hate relationship, I know
I don't know why

And if we fail, it's okay don't you worry
Get back up, it can't always be perfect
Time will tell, that you weren't made
To live this life, and then you will know why

Sometimes I think
How did I get myself into this place
I've only got myself to blame for this
It's a love/hate relationship, I know
I don't know why

I don't know why
Don't know why
I don't know why
