

# New Takeover

Stan Walker

Young boy I ain't no more  
I got them scars like a soldier  
I was alone, all I had was just me and myself  
And I did it  
And nobody's been this  
Now you want in  
It's too late, it's over  
I told ya

We gonna get it  
New takeover  
We gonna get it  
New takeover  
And I wanna hear you all be saying

Oh I, oh-oh, oh I, oh-oh  
New takeover  
Oh I, oh-oh, oh I, oh-oh  
New takeover  
And I wanna hear you all be saying  
New takeover

Young boy, I'm a man  
Oh, I got a plan, well you don't understand  
I was alone, all I had was just me and myself  
And I did it  
And nobody's been this  
Now you want in  
It's too late, it's over  
I told ya

We gonna get it  
And I wanna hear you all be saying

Oh I, oh-oh, oh I, oh-oh  
New takeover  
Oh I, oh-oh, oh I, oh-oh  
New takeover  
We gonna get it  
Oh I, oh-oh, oh I, oh-oh  
New takeover  
Oh I, oh-oh, oh I, oh-oh  
New takeover

How I got the whole world wide open  
Walking through every door that was closing  
Now I'm following a heart that's been broken  
How I got the whole world wide open  
Walking through every door that was closing  
Now I'm following a heart that's been broken

We gonna get it  
New takeover  
We gonna get it  
New takeover  
And I wanna hear you all be saying

Oh I, oh-oh, oh I, oh-oh  
New takeover  
Oh I, oh-oh, oh I, oh-oh  
New takeover  
And I wanna hear you all be saying

We gonna get it  
New takeover  
We gonna get it  
New takeover  
And I wanna hear you all be saying

Oh I, oh-oh, oh I, oh-oh  
New takeover  
Oh I, oh-oh, oh I, oh-oh  
New takeover  
Oh I, oh-oh, oh I, oh-oh  
New takeover  
Oh I, oh-oh, oh I, oh-oh  
New takeover
