

# Tennessee Whiskey

Stan Walker

I used to spend my nights out  
In the back of a bar room  
And liquor was the only thing I know  
But you rescued me from reaching the bottom  
And brought me back from being alone

You're as smooth as Tennessee whiskey  
You're as sweet as strawberry wine  
You're as warm, oh, you're warm as a glass of brandy  
And I stay stoned on your love all the time, yeah

See, I would rather  
I would rather go blind, girl, yeah  
Than to see you walk away  
Walk away from me child  
You see, I love you so much  
I don't wanna watch you leave now, baby, ooh  
But most of all it's just I want to be free

You're as smooth as Tennessee whiskey  
You're as sweet as strawberry wine  
You're as warm as a glass of brandy (Brandy, yeah)  
And I stay stoned on your love all the time

You're as smooth as Tennessee whiskey  
You're as sweet as strawberry wine  
You're as warm as a glass of brandy (Brandy, yeah)  
Honey, I stay stoned on your love all the time

Honey, I stay stoned on your love all the time
