

## Time to Save Our Love

Stan Walker

Remember when we used to dance when we first met  
We used to talk all night and day, almost perfect  
But now I see you looking through me  
It's like you don't know me at all  
How come no one ever told me  
That I could end up walking alone

Sometimes I wonder if it's gone away, the love  
Somehow the words got lost along the way, my love  
Yeah, I know it's sad but it's true  
We gotta rewind and start all over  
Turn back to page one  
Not gonna let you go  
It's time to save our love

Well, I'm down in the ditch like a soldier  
But I told ya you're worth fighting for, yeah  
No, I don't believe that it's over  
Let me show ya we can be more, yeah  
You don't need to look into me to see  
Baby, you are my world, yeah  
So let's drag ourselves through this  
'Cause, baby, losing us would be wrong

Sometimes I wonder if it's gone away, the love  
Somehow the words got lost along the way, my love  
Yeah, I know it's sad but it's true  
We gotta rewind and start all over  
Turn back to page one  
Not gonna let you go  
It's time to save our love, yeah

(Oh, oh, oh)  
Not gonna let you go  
(Oh, oh, oh)

Sometimes I wonder if it's gone away, the love  
Somehow the words got lost along the way, my love  
Yeah, I know it's sad but it's true  
We gotta rewind and start all over  
Turn back to page one  
Not gonna let you go  
It's time to save the love
