

# Dirty Mind

Stanaj

This could only go two ways  
Being with you or thinking bout being with you  
And I cant explain it, laying next to someone new  
Thinking bout you or thinking bout being with you

I wonder do you see through  
The way that I look at you  
Do you know where my head goes  
I don't wanna let it show

But if I'm being honest with  
Myself I gotta say  
This could only go two ways

Being with you or thinking bout being with you  
And I can't explain it, laying next to someone new  
Thinking bout you or thinking bout being with you  
'Cause it don't get no better  
You know it, I know it, this could only go two ways  
I'm with you, I'm with you in my dirty mind

I'm with you, oh  
I'm with you in my dirty mind  
I'm with you, yeah  
I'm with you in my dirty mind

I'm with you, you're taking control  
Doing things that I thought were impossible  
You're the little role in my best seats  
The star of my wet dreams

And if I'm being honest with  
Myself I gotta say  
This could only go two ways

Being with you or thinking bout being with you  
And I can't explain it, laying next to someone new  
Thinking bout you or thinking bout being with you  
'Cause it don't get no better  
You know it, I know it, this could only go two ways  
I'm with you, I'm with you in my dirty mind

I'm with you, oh  
I'm with you in my dirty mind  
I'm with you, yeah  
I'm with you in my dirty mind

Still put you in my dirty mind  
She just with me 'cause I'm Dolla \$ign  
You played yourself once baby girl  
Don't you play yourself a second time (Whoa)

Thinking bout us, boolin' in my room laid up  
Thinking maybe we shoulda just made up (Never)  
Eh, I swear that you fuck me better  
When we break up and get back together (Uh)

Being with you or thinking bout being with you  
And I can't explain it, laying next to someone new  
Thinking bout you or thinking bout being with you  
'Cause it don't get no better  
You know it, I know it  
This could only go two ways  
I'm with you, I'm with you in my dirty mind

I'm with you  
I'm with you in my dirty mind  
I'm with you, yeah  
I'm with you in my dirty mind  
I'm with you in my dirty mind  
(I'm with you, I'm with you)  
(I'm with you in my dirty mind)
