

Should we call it eviligo
I'm fingerprinting on your skin tone
Gotta keep you like a big toe
Oh no (Oh no)
And I'm breathing on your window
Kinda watch you when you don't know
I don't wanna make it weird though
Oh no, oh no

Petal-picking showers (Oh no, oh no)
What a pretty little mess we make

I can sting like eviligo
What's your blood type by the kilo
What I'd do to cheat
You don't wanna know
I can sting like eviligo

You're up and down like a yo-yo
Is that the way you wanna walk home
I think you find me kinda weird though
Oh no, oh no

Petal-picking showers (Now I'm kicking flowers)
What a pretty little mess we make

I can sting like eviligo
What's your blood type by the kilo
What I'd do to cheat
You don't wanna know
I can sting like eviligo

You saw me watch you sleep
From your window
Now I'm just a creep
You don't wanna know

(Oh, shit)

I can sting like eviligo
What's your blood type by the kilo
What I'd do to cheat
You don't wanna know
I can sting like eviligo

Eviligo
Eviligo

What I'd do to cheat
You don't wanna know
I can sting like eviligo

Eviligo
Eviligo
