

KILL[H]ER

Stand Atlantic

I'm a killer, kill(h)er, killer

What the fuck is wrong with me?
I'm naked for your sanity
Strip my personality
Getting high on atrophy
The fuck is wrong with me?

Got me runnin' low on self esteem
Treat me like a lil amphetamine
What the fuck is wrong with me?
I'm naked for your sanity

I'm a killer, kill(h)er, killer
Sink your dirty teeth in
Swallowing cinnamon
I'm a killer, kill(h)er, killer
Got a lil taste of my own medicine

I'm a killer, I'm a killer
Sink your dirty teeth in
Swallowing cinnamon
I'm a killer, I'm a killer

Shiver in your cold eyes
Pretend I don't mind
Pleadin' for my life
Wish I was outta sight, sight
The fuck is wrong with my mind?

Got me runnin' low on self esteem
Treat me like a lil amphetamine
What the fuck is wrong with me?
I'm naked for your sanity

I'm a killer, kill(h)er, killer
Sink your dirty teeth in
Swallowing cinnamon
I'm a killer, kill(h)er, killer
Got a lil taste of my own medicine

I'm a killer, I'm a killer
Sink your dirty teeth in
Swallowing cinnamon
I'm a killer, I'm a killer
Got a lil taste of my own medicine

I'm a killer, I'm a killer
Sink your dirty teeth in
Swallowing cinnamon
I'm a killer, I'm a killer

Got me runnin' low on self esteem
Treat me like a lil amphetamine
What the fuck is wrong with me? (What the fuck is wrong with me)
I'm naked for your sanity (I'm a killer, kill(h)er, killer)
I'm a killer, I'm a killer (I'm a killer, kill(h)er, killer)

I'm a killer, I'm a killer
