van gogh

Stand Atlantic

Heavy sensation
Synthetic elation
I'm a little bit crushed
Don't wanna be honest that I don't feel myself

I trust what you say
Like smoke inhalation
I'm a little bit stuck on the side effects
And now I just wanna forget

I say I like things I hate
Just like LA

Everything is cutthroat, cutthroat
Daggers in a lifeboat, lifeboat
Should I pull a Van Gogh, Van Gogh?
'Cause I'd do anything to shut you up

And it's cutthroat, cutthroat
Got me feeling hollow, hollow
Should I pull a Van Gogh, Van Gogh?
'Cause I'd do anything to shut you up

Swallow peroxide
Clean out my insides
I'm a little bit crushed
I gotta be honest
Stuttering to myself

Bad news in good times
Dude, I need a hotline
I'm a little bit stuck on the side effects
And now I'm just tryna forget

I say I like things I hate (Shark bait in the open water)
Just like they do in LA (I tapped out so put me in a coma)
I love it more when it's fake (I say I like things I hate, so fake)
Just like LA

Everything is cutthroat, cutthroat
Daggers in a lifeboat, lifeboat
Should I pull a Van Gogh, Van Gogh?
'Cause I'd do anything to shut you up

And it's cutthroat, cutthroat
Got me feeling hollow, hollow
Should I pull a Van Gogh, Van Gogh?
'Cause I'd do anything to shut you up

Shark bait in the open water
I tapped out so put me in a coma
I say I like things I hate just
Like they all do in LA

Everything is cutthroat, cutthroat
Daggers in a lifeboat, lifeboat
Should I pull a Van Gogh, Van Gogh?

'Cause I'd do anything to shut you up

It's cutthroat, cutthroat
Daggers in a lifeboat, lifeboat
Should I pull a Van Gogh, Van Gogh?
'Cause I'd do anything to shut you up

And it's cutthroat, cutthroat
Got me feeling hollow, hollow
Should I pull a Van Gogh, Van Gogh?
'Cause I'd do anything to shut you up

I'd do anything to shut you up
Yeah, I'd do anything to shut you up
