

If you're a bad bitch, show me what you're made of  
Wash your mouth out, making daddy proud now  
If you're a bad bitch, show me what you're made of  
Show me what you're made of, making daddy proud now

I think you're high risk, wanna entertain it  
Leave your back-bite dying in the basement  
I think you're high risk, wanna entertain it  
Wanna entertain it, dying in the basement

Fight, fight, fight, fight  
Bitch, I'm like a cyclone entering the warzone

Say it to my face  
Say it to my face  
Say it to my face, ha  
Bitch, I'm like a cyclone entering the warzone  
Say it to my face  
Say it to my face  
Say it to my face, ha  
Bitch, I'm like a cyclone entering the warzone

Step on my feet, looking for a fist fight  
Come and find me walking dead in daylight  
Step on my feet, looking for a fist fight  
Maybe you should shut your mouth

I think you're high risk, wanna entertain it  
Leave your back-bite dying in the basement  
I think you're high risk, wanna entertain it  
Wanna entertain it, dying in the basement  
Bitch, I'm like a cyclone entering the warzone

Say it to my face  
Say it to my face  
Say it to my face, ha  
Bitch, I'm like a cyclone entering the warzone  
Say it to my face  
Say it to my face  
Say it to my face, ha  
Bitch, I'm like a cyclone entering the warzone

Fight, fight, fight, fight  
Bitch, I'm like a cyclone  
Fight, fight, fight, fight  
Bitch, I'm like a cyclone entering the warzone

Say it to my face  
Say it to my face  
Say it to my face, ha  
Bitch, I'm like a cyclone entering the warzone  
Say it to my face  
Say it to my face  
Say it to my face, ha  
Bitch, I'm like a cyclone entering the warzone
