

## Fever

### Stand High Patrol

Never know how much I loved you  
Never know how much I care  
When you put your arms around me  
I get a fever that's so hard to bear  
You give me fever, when you kiss me  
Fever when you hold me tight  
Fever, in the morning  
Fever all through the night

Sun lights up the daytime  
Moon lights up the night  
I light up when you call my name  
And know you gonna treat me right  
You give me fever, when you kiss me  
Fever when you hold me tight  
Fever, in the morning  
Fever all through the night  
You see

Captain Smith and Pocahontas  
Had a very mad affair  
When her Daddy tried to kill him  
She said "Daddy-O don't you dare"  
He gives me fever, with his kisses  
Fever when he holds me tight  
Fever, I'm his Misses  
So daddy just treat him right

Romeo loved Juliet  
Juliet she felt the same  
When he put his arms around her  
She said "Romy baby, you're my flame"  
You give me fever, with your kisses  
Fever when you hold me tight  
Fever, in the morning  
Fever all through the night

Now you've listened to my story  
Here's the point that I have made  
Men were born to give you fever  
Would be in Fahrenheit or Centigrade  
They give you fever, when they kiss you  
Fever if you live you learn  
Fever, I'm on fire  
What a lovely way to burn  
Fever, till you sizzle  
What a lovely way to burn  
Fever, I'm on fire...
