

Sailing in Rough Seas

Stand High Patrol

Sailing on the ocean
Going west
We are fishermen sailing in rough seas
Sailing on the ocean
Going west
We are fishermen sailing in rough seas

Hauling in the mainsail
Holding firmly the helm
Throwing and recovering
Fishing net
Looking for a lighthouse
Horizon free from land
We are far from home
But the ocean is our home now

Sailing on the ocean
Going west
We are fishermen sailing in rough seas
Sailing on the ocean
Going west
We are fishermen sailing in rough seas

We are fishermen oh yes
Sailing in rough seas
We are fishermen oh yes
Sailing in rough seas

Sailing on the ocean
Going west
We are fishermen sailing in rough seas
Sailing on the ocean
Going west
We are fishermen sailing in rough seas
