

## Working Man

## Stand High Patrol

I am a working man  
Going down the mine  
I am a working man  
Going down the mine

Over the hills  
You are waiting for me  
You are waiting for me  
You are waiting for me  
Over the hills  
You are waiting for me  
You are waiting for me  
You are waiting for me

I am a working man  
Going down the mine  
I am a working man  
Going down the mine

Over the hills  
You are waiting for me  
You are waiting for me  
You are waiting for me  
And I cry  
And I cry and I cry  
You are waiting for me  
You are waiting for me
