

## Even If

Stanfour

Even if you take my crown,  
I'm still a king,  
I won't back down, no

And even if you seize my land,  
I feel at home,  
That's not the end.

And even if you locked me out,  
I'm still a free man,  
I will move on.

And I... I'm not alone.  
And I... I carry my thoughts.

And even if you take my sight,  
I won't be blind,  
Mind open wide.

And even if you locked me out,  
I'm still a free man,  
I will move on.

Cause I... I'm not alone.  
And I... I carry my thoughts.
