Tell me we're alone  
That I'm the only one you keep in your home  
All of your secrets lie in pieces on the floor  
Crowding the corners of the rooms that you adore

Push  
Don't care when I bleed  
Why do you haunt me  
Push  
Always got my back against the...  
Push  
Don't care when I bleed  
Why do you haunt me  
Always got my back against the wall

Roaming in the cold  
These hanging ropes are reaching

Like the ones we lost a long time ago

Why do you haunt me  
Push  
Always got my back against the...  
Push

Push  
Don't care when I bleed  
Why do you haunt me  
Push  
Push  
Don't care when I bleed  
Why do you haunt me?

There's no room left for lovers  
There's no room left...
