

The End Is Near

Starbenders

Hold back the signs
Cover my eyes
We've got the time
Let it unwind
You'll be just fine
Your father's inside
Don't bleed your mind
The party's alright

Alchemical
Your soul is mine, yeah
(Ah ah oh)
The end is near
Seven Signs
(Ah oh)

Cold heart ablaze
Free from the cage
Don't let it grind
The serpent inside
When we meet death
Be with the best
Eyes open wide
And you by my side

Alchemical
Your soul is mine, yeah
(Ah ah oh)
The end is near
Seven Signs
(Ah oh)
Yeah

Alchemical
Your soul is mine, yeah
(Ah ah oh)
The end is near
Seven Signs
(Ah oh)
Yeah
Yeah
