

U Like Me Now

Starbenders

Whoa, you like me now?
Whoa, I can show you how
Whoa, you like me now?
I said, whoa, you like me now?

After life can be such a drag
Wish I never followed this fad
All these other ghouls really don't like me
Wish they did, 'cause it gets so boring

Whoa, you like me now?
Whoa, I can show you how
Whoa, you like me now?
I said, whoa, you like me now?

I was hanging out at my tombstone
Picking at the dirt under my nails
Fell asleep, while you were speaking
Now I'm dreaming, or so I think

Whoa, you like me now?
Whoa, I can show you how
Whoa, you like me now? (Who-oa, do you like me now?)
I said, whoa, you like me now?

Never really knew how hard it would be
To be a little fish in your sea
Now, I'm washed up on your shore
[?] trying to score

Whoa, you like me now? (Goddamn, you like me now?)
Whoa, I can show you how (I can show you how!)
Whoa, you like me now? (Do you like me now?)
I said, whoa, you like me now? (Do you like me now?)

Whoa, do you like myself?
Whoa, wanna get down?
Whoa, I can show you how
I said, whoa, you like me now?

Whoa, you like me now?
Whoa, I can show you how
Whoa, you like me now?
I said, whoa...
Now, fuck this town!

Goddamn, do you like me now?
Whoa, fuck this town!
Whoa, you like me now?
Whoa...

Fuck all this!
