

## Better Place

Starcrawler

Starry skies made me realize that I don't feel the way I did  
All the laughter lead to so much sorrow, I don't feel like I know you  
I've testified and I don't feel alive, I feel buried under my skin  
Out of the way, torture self every day, what kind of better place is this?

I wanna be a different person  
I can improve from how I've been  
And all this time, I thought I knew ya  
How can I make up for what I did?  
How can I make up for what I did?

Suffering, feeling everything that they could give to you in Hell  
Tried my best, even passed the test, keep getting thrown to the bottom  
I messed up, I ain't your buttercup, I've been lying since I got here  
I don't know why, but I wonder sometimes, why did I have to happen?

I wanna be a different person  
I can improve from how I've been  
And all this time, I thought I knew ya  
How can I make up for what I did?  
How can I make up for what I did?

I don't know just exactly where to go  
But I'm better now, I feel like I know somehow  
Well, it's—  
I don't know just exactly where to go  
But I'm better now, I feel like I know somehow  
And I do
