

One little castaway floating in some way
Through the sky, hoping to find a new day
The road is paved two ways, but I want a new way
Don't know where to find it, but it's in my mind buried away

I'm on a different road
A no perfection zone
You think I'm crazy, I'm just out of my mind
I'm on a different road
A no perfection zone
You think I'm crazy, I'm just out of my mind
Out of my mind, I'm out of my mind, oh yeah

Different for months today, working the same way
Flying high in the sea of gray
Don't know what they're flying for
Don't know what they're dying for
Working for something, sink in perfection

I'm on a different road
A no perfection zone
You think I'm crazy, I'm just out of my mind
I'm on a different road
A no perfection zone
You think I'm crazy, I'm just out of my mind
Out of my mind, I'm out of my mind, oh yeah

Out of my mind, I'm out of my mind
Out of my mind, I'm out of my mind
Out of my mind, I'm out of my mind
Out of my mind, I'm out of my mind

Cool
That sounds good
