

# I Need To Know

Starcrawler

Well, the talk on the street says you might go solo  
A good friend of mine saw you leavin' by the back door

I need to know (I need to know)  
I need to know (I need to know)  
If you think you're gonna leave  
Then you better say so  
I need to know (I need to know)  
I need to know (I need to know)  
Because I don't know how long  
I can hold on  
If your makin' me wait  
If you're leadin' me on

I need to know (I need to know)  
I need to know (I need to know)

Who woulda thought that you'd fall for his line  
All of a sudden it's me on the outside

I need to know (I need to know)  
I need to know (I need to know)  
If you think you're gonna leave  
Then you better say so  
I need to know (I need to know)  
I need to know (I need to know)  
Because I don't know how long  
I can hold on  
If your makin' me wait  
If you're leadin' me on

I need to know (I need to know)  
Baby, I need to know (I need to know)  
Waa!

I need to know (I need to know)  
I need to know (I need to know)  
If you think you're gonna leave  
Then you better say so  
I need to know (I need to know)  
I need to know (I need to know)  
Because I don't know how long  
I can hold on  
If your makin' me wait  
If you're leadin' me on

I need to know (I need to know)  
Baby, I need to know (I need to know)  
I need to know (I need to know)
