Starcrawler

My life is going nowhere  
I never felt so strange  
I keep on dreaming nothing  
But I wake up feeling plain  
I don't know where I'm going  
But I always seem to stray  
Should I be doing something?  
Was I meant to waste away?

Don't know what's true  
Don't know what I can do  
Seems like everything will fall apart  
What can I do?

Streets look like a river  
Get stiller every day  
I couldn't live forever  
Why is everyone afraid?  
Did it creep up in me  
Or am I just deranged?  
I don't have time to panic  
We all die someday

Don't know what's true  
Don't know what I can do  
Seems like everything will fall apart  
What can I do?  
Don't know what's true  
Don't know what I can do  
Seems like everything will fall apart  
What can I do?
