

Last time I saw you
You were heading to your room and I felt bad
You couldn't move I couldn't soothe
And I can't tell you the real truth

Last time I saw you
You were only in your way you're just like me
You circle through just like a screw
And I can't tell you what to do

My feelings take over my brain
Maybe it's like a mark of Cain
That everyone can see
Cause it's on my face

Next time I see you

Please remember what I say because it's the truth
You circle through just like a screw
And I can't tell you what to do

My feelings take over my brain
Maybe it's like a mark of Cain
That everyone can see
Cause it's on my face

My feelings take over my brain
Maybe it's like a mark of Cain
That everyone can see
Cause it's on my face
That everyone can see
Cause it's on my face
