

## For Us

Starflyer 59

There's a reason it's not  
With no lessons forgot  
And one thing is true  
There's a reason it's not the moon

Misery is no company for us  
Not for us  
Misery is no company for us  
Not for us  
Misery is no company for us  
Not for us  
Not for us
