Fun Is Fun

Starflyer 59

[Verse 1]
Oh, I think it's strange
Your face is on my wall
How the times have changed
I'll never see you again

[Chorus]
Fun is fun
Dumb is dumb
So come on (?)
Come on (?)

[Verse 2]
If I could meet someone
Would it replace you?
Through these changing tides
I could carry on

[Chorus]
Fun is fun
Dumb is dumb
So come on (?)
Come on (?)
