

Sunrise

Starflyer 59

[Verse 1]

I'm usually happy in the morning time
Because the day's problem fill up my nights
True, is this my life

[Chorus]

Until I see the sunrise
I don't care anymore
Until I see the sunrise
I don't care anymore

[Verse 2]

I'm melancholy in the evening time
I know the day's problems fill up my mind
So blue, is this my life

[Chorus]

Until I see the sunrise

I don't care anymore
Until I see the sunrise
I don't care anymore
Until I see the sunrise
I don't care anymore
Until I see the sunrise
I don't care anymore

[Interlude]

[Chorus]

Until I see the sunrise
I don't care anymore
Until I see the sunrise
I don't care anymore

[Outro]

The sunrise
The sunrise
The sunrise
