

Biggie Smalls

Starfucker

No sound in a broken-hearted
Fly back to Miami with the
Soft sounds and the
Chichi girls and you say
Don't lose your mind

I miss dancing and
Smoking carelessly
And all my friends and everyone
And on (4x)
And all my friends and everyone
And on (8x)

No sound in a broken-hearted
Fly back to Miami with the
Soft sounds and the
Chichi girls and you say
Don't lose your mind

I miss dancing and
Smoking carelessly
And all my friends and everyone
And on (4x)
And all my friends and everyone
And on (8x)
