

When I was young  
I had a dream  
I took a lot  
Of valium  
Walking downstairs  
Walking outside  
I thought you were  
The stars in the sky  
And now you're here  
I know that you're real  
I feel a love  
I've never felt before  
There's only one thing  
That could pull me away  
There's only one thing  
That could take me away
