## **Boy in Waiting**

Oh the firelight Will soon be right Will soon be right Oh your heart and mind Will soon be mine Will soon be mine

I wanna be your lover Hollywood I wanna write the one that cuts just like it should I wanna stand together By your side I'm the boy in waiting And I'm still waiting

Oh the heights we climb From time to time From time to time Oh your heart and mind Will soon be mine Will soon be mine

I wanna be your lover Hollywood I wanna write the one that cuts just like it should I wanna stand together By your side I'm the boy in waiting And I'm still waiting
