

## This Time

Starsailor

In that moment I was frozen out  
Of a story that I knew all about  
Then I called her in the evening  
My depression started lifting

I won't let it kill me  
This time  
I won't let it kill me  
This time

Up to the surface came a feeling  
Left me useless  
Left me reeling

I won't let it kill me  
This time  
I won't let it kill me  
This time  
When the beats run dry there's gonna be some blood  
[repeat x6]

I won't let it kill me  
This time  
I won't let it kill me  
This time
