

# My Demons

Starset

Mayday! Mayday!  
The ship is slowly sinking  
They think I'm crazy but they don't know the feeling  
They're all around me,  
Circling like vultures  
They wanna break me and wash away my colors  
Wash away my colors

Take me high and I'll sing  
Oh you make everything okay, okay, okay  
'Kay, Okay, Okay  
We are one in the same  
Oh you take all of the pain away, away, away  
'Way, away, away  
Save me if I become  
My demons

I cannot stop this sickness taking over  
It takes control and drags me into nowhere  
I need your help, I can't fight this forever  
I know you're watching,  
I can feel you out there

Take me high and I'll sing  
Oh you make everything okay, okay, okay  
'Kay, Okay, Okay  
We are one in the same  
Oh you take all of the pain away, away, away  
'Way, away, away  
Save me if I become  
My demons

Take me over the walls below  
Fly forever  
Don't let me go  
I need a savior to heal my pain  
When I become my worst enemy  
The enemy

Take me high and I'll sing  
Oh you make everything okay  
We are one in the same  
Oh you take all of the pain away

Take me high and I'll sing  
Oh you make everything okay, okay, okay  
'Kay, Okay, Okay  
We are one in the same  
Oh you take all of the pain away, away, away  
'Way, away, away  
Save me if I become  
My demons

Take me high and I'll sing  
Oh you make everything okay, okay, okay  
'Kay, Okay, Okay  
We are one in the same

Oh you take all of the pain away, away, away  
'Way, away, away  
Save me if I become  
My demons
