

Faultlines

State Faults

I was sleeping
But my heart kept vigil
Through winter nights, deep rivers
Bitter nights, sleep shivers
Window panes
And breathless whispers
Haunt me for as long as you'll have me
Haunt me for as long as you'll have me

I couldn't keep you here with me
I couldn't be your diamond eyes
I couldn't keep you here with me
I couldn't see you through your shine

You can't save me, you can't save me
You can't save me, you can't save me

Don't cry for me, I'm already dead
