State Radio

Lost my car in a snow storm
H.A.C.K.I.N
Cops said I was lucky
And then showed me down
And then showed me down

And you got to spray down low
And you got the food from their iron
Got to swing down low to get high
Gotta pick up the, yeah man

Yeah man, yeah man
I don't like what you offer
Yeah man, yeah man
I don't like what you offer

I been open the bury again
In the alley shotguns and they say
They say ridin' on cocaine
Just ask the, yeah man

Yeah man, yeah man
I don't like what you offer
Yeah man, yeah man
I don't like what you offer
I don't like what you offer
I don't like what you offer

They goin'
Yeah man, yeah man
Yeah, man
They don't like what you offer

Yeah man, yeah man
Yeah, man
I don't like what you
Yeah man, yeah man
