Bateria

Static & Ben El

Oh, bateria
Oh, bateria
Oh, bata
Oh, bata
Oh bata bata bata

My brain, supercharged
My chain, extra-large
My girl, she a star
That's why I watch her Audemars
My whip, supercar
Hit the track, push to start
You know that it's a problem
When I walk the boulevard

Yeah, I can be your plug, just tell me where to go
Yeah, Imma charge you make you drop it real low
And fill your-

Oh, bataria
Oh, bataria
Oh, bata
Oh, bata
Oh bata bata bata

Bata bata bata bata bata bata bata bata oh
Bata bata bata bata bata bata bata bata oh
Bata bata bata bata bata bata bata bata oh
Bata bata bata bata bata bata bata bata oh

Oh bataria, you shake it all the time
Oh bateria, I'm about to lose my mind
You got me cuffed in here for no reason at all
So, I might have to charge you up against the wall

Oh, bataria
Oh, bataria
Oh, bata
Oh, bata
Oh, bata bata bata

Bata bata bata bata bata bata bata bata...

Bata bata bata bata bata bata bata bata oh
Bata bata bata bata
Oh, bataria
Oh, bata bata bata bata bata bata bata bata, oh
Bata bata bata bata
Oh, bataria
