

Bella

Static & Ben El

Fell in love with Bella
Bella Bella Bella
And you make them jealous
Bella Bella Bella
Fell in love with Bella
Bella Bella Bella
Como telenovela
Bella Bella Bella

I can give you what you want and what you need
You can be my Bella my Cleo my queen
My car, my chain, my cloud, my creed
Just hop into the whip and let's proceed
Girl I wanna see you get that wedding ring
Bounce for it Mami like a trampoline
I can make it rain make the sky go green
If you shake it for me like tambourine
I can take you anywhere around the world
I can make you feel like you're a lucky girl
Let me just tell everyone that hasn't heard

Fell in love with Bella
Bella Bella Bella
And you make them jealous
Bella Bella Bella
Fell in love with Bella
Bella Bella Bella
Como telenovela
Bella Bella Bella

Fell in love with Bella
Got that cheese like mozzarella
She the real deal so I might just tell her
Imma make it rain on her no umbrella, aye
Bella too freaky for me
She got that ziki on me
And I be like, woah
Why she so sneaky on me?
That body too cheeky for me
I can take you anywhere around the world
I can make you feel like you're a lucky girl
Let me just tell anyone that hasn't heard

Fell in love with Bella
Bella Bella Bella
And You make them jealous
