

Broke Ass Millionaire

Static & Ben El

I'm here in Ibiza, couldn't get my visa
Guess I got my reason to stay
Stay up all night and...
I better call my mom and dad
Tell 'em to forget about the kid they had...
Cause I'm making it rain
With my Bar Mitzvah money

I'ma build myself a castle in the sand
Act like I'm a singer in a famous band
Maybe I'm delusional but I don't care
I'm a broke ass millionaire (Broke millionaire)

Welcome to the city of fun
I'm about to hit the dance floors one by one
Ain't no chill until I'm done
And my best friend here's gonna be the sun (What?)
Can I get the ladies?
Doin' things they never done before
If you're feeling crazy... (Let's go)
Prove it to me, baby, do some more

And when the sky turns color in the night
You'll forget your troubles
I could tell you why

I'm here in Ibiza (What?), couldn't get my visa (Ay)
Guess I got my reason to stay
Stay up all night and...
I better call my mom and dad
Tell 'em to forget about the kid they had... (Yeah)
Cause I'm making it rain
With my Bar Mitzvah money

I'ma build myself a castle in the sand
Act like I'm a singer in a famous band
Maybe I'm delusional but I don't care
I'm a broke ass millionaire (Broke millionaire)

Lamborghini got no Lamborghini
Wish I had a way to get the girls in the bikinis
I could use a genie, you could be my genie
If you grant me wishes, I could fish us a martini (Kal)
Sunglasses at night, we're ready to play
(This is how we do like every day)
Fame and fortune I'm on my way
(This is how we do like every day)
Looking for the bank (What?), I give them a call (What?)
Money on my credit card? Nothing at all
Found a couple dollars in a jacket that I had
Well, I guess it ain't that bad...

I'm here in Ibiza (Yeah), couldn't get my visa (Okay)
Guess I got my reason (Haha) to stay (Say what?)
Stay up all night and...
I better call my mom and dad
Tell 'em to forgot about the kid they had...

Cause I'm making it rain
With my Bar Mitzvah money

I'ma build myself a castle in the sand
Act like I'm a singer in a famous band
Maybe I'm delusional but I don't care
I'm a broke ass millionaire (Broke millionaire)
