My pockets like Pablo  
Shorty on blanco  
Bitch bitch psycho

Freak freak gonzo  
Can't be letting this one go  
Sheesh sheesh psycho

I ain't never need nobody (nobody)  
I do only me no copy (no copy)  
Bae I'm all about that body  
I will never quit so sorry  
This party stuck in a loop  
But it's cooking between me and you (just me and you)  
I go dumb for that cake scoop scoop (scoop scoop)  
I got room for one more in the coupe

Oh it drives me insane  
How you fuck with my brain  
Yet again and again  
Yeah yeah
