

Tudo Bom

Static & Ben El

Hey yo, Balvin
Let's make it happen
Static
Ben El
Rrra!

Let's go crazy
Like in São Paulo, been checking you out all day nina
The more that I'm getting to know ya
The sweeter you are caipirinha
Gatinha, I'm loco, you got me staring all day at your photos
Baby girl, are you from Brazil?
Because your complexion's, the color of coco
If we gonna do this for real
L'chaim, salud, cheers!
If you want me to maybe I will
I just wanna party girl, how do you feel?

Oh I can tell that tonight we're gonna feel like
Kings of the world, ain't no way of stopping us
We gotta taxi, party in the back seat
Tonight, we're having a good time
Being young and dumb and tudo, tudo bom
Hey tudo, tudo bom, hey tudo, tudo bom
Everything is tudo bom, tudo bom, tudo bom Berimbau!

Just let me know, just let me know, if you're feeling this flow
Or I could give you some more
I got you baby, that's what I'm here for
Your body's lambada, the beat's batucada, this isn't a drill
So girl keep it going and let's tudo bom it like we fell in love in Brazil

I know you're not afraid of asking
You got me multitasking
Being my ex ain't a bad thing
Tudo bom, baby, what's happening?!

Oh I can tell that tonight we're gonna feel like
Kings of the world, ain't no way of stopping us
We gotta taxi, party in the back seat
Tonight, we're having a good time
Being young and dumb and tudo, tudo bom
Hey tudo, tudo bom, hey tudo, tudo bom
Everything is tudo bom, tudo bom, tudo bom

Hey yo, Mr. Balvin
We know you're the king of this reggaeton gang
¡Boom!
Eh, okay, uh! (J Balvin, men)
Tres, dos, uno, ¡dale!

Ya, ¿que qué 'toy haciendo?
Ya, ya, me estoy encendiendo
Ya, ya, que la pista no para
Y si eres tan brava dispara
Allá samba árabe, aquí es reggaeton
Aquí es todo bien, allá tudo bom

Pa' pelear 'tamo claro', aquí no hay lenguaje
Como pa' los tiempo' de gata salvaje, -vaje
Baby, dame un choque, no me pierdas el enfoque
Hasta bajo el piso rompe
No te duerma', no me ronque'
Baby, dame un choque, no me pierdas el enfoque
Hasta bajo el piso rompe
'Tamo bien, todo bien, bien

Rumor has it that no guy has ever gotten close (No, no, no)
Rumor has it no girl in this town could tell you no (Hahaha)
If you wanna get with me you better let me know (Okay)
If you wanna get with me then babe it's tudo bom

Oh-oh-eh-oh-eh-oh
Everything is tudo bom
Oh-oh-eh-oh-eh-oh
'Tamo bien, todo bien, bien
Oh-oh-eh-oh-eh-oh
Everything is tudo bom
Oh-oh-eh-oh-eh-oh
'Tamo bien, tudo bom
