Ziki Ziki

Static & Ben El

Ass, I'ma pop that
Ass, I'ma pop that
Ass, I'ma pop that
(Lil Baby)

Ziki ziki ziki, can't you see
Sometimes that walk just hypnotize me?
I been thinking 'bout it on and off for like a week
Anytime it's from the front she tell me to go deep
Exotic and a baddie, the only way I can sleep
They serving this cake, the only way I can eat
She know I don't do dates, so we be having to creep
She was good when I met her, I turned her into a freak

Mm da da ooh la la la
Bring that ziki my way
Mm da da ooh la la la
Ziki ziki all day

If she got ass, I'ma pop that bubble
If she got back then I might pay double
But if she got that ziki ziki ziki ziki, ziki ziki ziki ziki
That's when I know I'm in trouble, ayy
(Woo!)

Ziki ziki ziki ziki, ziki ziki ziki ziki
Ziki ziki ziki ziki zik, big trouble (Ayy)
Ziki ziki ziki ziki, ziki ziki ziki ziki
Ziki ziki ziki ziki zik, big trouble (Static)

Mami, dale
She a good girl, but she really love clubbing (Yep)
She'll be out on Melrose looking for a hubby (Uh)
Ain't no pants for a ass that chubby, goddamn!

Looking at it, oh my!
I just wanna touch it, no lie
We can ziki ziki all night
Gimme more time (Yeah)
Nothing but you on my mind
'Cause that ziki ziki ziki so fine (So fine)

Mm da da ooh la la la
Bring that ziki my way
Mm da da ooh la la la
Ziki ziki all day

If she got ass, I'ma pop that bubble
If she got back then I might pay double
But if she got that ziki ziki ziki ziki, ziki ziki ziki ziki
That's when I know I'm in trouble, ayy (Goddamn, ayy)

Pop the champagne, no time to complain
Frame frame my game, it's D-O double G
She's a double D, more fun for me
Ziki ziki, get busy
Get in trouble with me, baby baby
Ooh la la
Don't be afraid
We got it made
You know why?

If she got ass, I'ma pop that bubble
If she got back then I might pay double
But if she got that ziki ziki ziki ziki, ziki ziki ziki ziki
That's when I know I'm in trouble, ayy (Goddamn, ayy)
