

## No Hope

Static-X

No hope for survival  
No hope for survival  
Give me something to die for  
Give me something to die for  
No hope for survival  
No hope for survival  
Give me something to die for

You want, you got, you make  
Ooh, destruction  
You want, you got, you make  
Ooh, misery  
Prepare, yeah, resist, yeah, your blame  
Ow, destruction  
Prepare, yeah, resist, yeah, your pain  
Ow, misery

No hope for survival  
No hope for survival  
Give me something to die for  
Give me something to die for  
No hope for survival  
No hope for survival  
Give me something to die for

No hope for survival  
Give me something to die for

You want, you got, you make  
Ooh, destruction  
You want, you got, you make  
Ooh, misery  
Prepare, yeah, resist, yeah, your blame  
Ow, destruction  
Prepare, yeah, resist, yeah, your pain  
Ow, misery

Prepare, yeah, resist, yeah, your blame  
Ow, destruction  
Prepare, yeah, resist, yeah, your pain  
Ow, misery
